PATRICIA FERRÁNDEZ TEROL

Audiovisual Translator JA/EN/ES > ES/EN | Video Game Localization | Subtitling | Interpreter

PROFILE

Audiovisual Translator specializing in Video Game Localization, LQA and Subtitling, working with JA/EN/ES > ES/EN. Video games are my passion: in my free time I translate video game subtitles JA > EN/ES, and I am currently translating visual novels EN > ES. I am very detail-oriented, a fast learner, and comfortable working both in a team and independently.
